

Advanced Burn Life Support (ABLS)

*A clinical pre-conference session of the
33rd Annual Pennsylvania EMS Conference*

Space is Limited! Register Online at www.pehsc.org.

SEPTEMBER 16, 2010 • 8:00 AM– 5:00 PM

LANCASTER COUNTY CONVENTION CENTER

LANCASTER, PA

Course Highlights:

- The Advanced Burn Life Support (ABLS) course is an eight-hour course designed for EMTs, Paramedics, physicians, nurses, and other emergency responders to provide them with guidelines in the assessment and management of the burn patient during the first 24 hours post-injury. Following a series of lectures, case studies are presented for group discussion and an opportunity to work with simulated burn patients will be given. Final testing consists of a written examination and a practical assessment.
- Medical/Trauma continuing education credits are available:
7.5 hours for ALS providers and 6.5 hours for BLS providers
- This course may be taken in conjunction with attending the annual EMS Conference or independently, if desired.
- Lunch and course materials are included with your registration fee.
